Village Green Summer Activities

Even though Village Green activities officially ended on May 20th with the AGM some members have been busy.... Especially the executive and the teachers who have been planning for next season.

A number of Village Green Members were at the UK Pavilion manning our display table during the week. A big thank you to Frances and Roddy for gathering material for the table. We now have a 45 minute video and a slide show. As well thank you to all members who spent an evening at the pavilion promoting our group. A huge round of applause for Frances who was there almost every evening.

Afternoon tea dance: September 4th, at Fred Douglas Place 1:30 to 3:30 Please let either Maureen(783-1488) or Jackie(254-0528) know is plan to attend

Dancing at the Farm August 15th

Mary Louise and Art once again hosted an afternoon dance and potluck at their farm. "River Hills Farm and Apiary". We danced until the thunder and rain drove us indoors for some wonderful food. We were joined by friends who live in the community... some of whom danced. Thank you, Mary Louise and Art. As well, thank you to Jeannie for calling the dances and Joan, Virginia, Liz and Mark for playing.

The Fine Companions will be playing at the **St. Norbert Market on August 29th from 1:00 to 2:00**. Liz will call a couple of dances and six of our members will give a short demonstration.

Special note: Remember to wear your name tag, especially at the opening dance
