

AT THE MARKET SQUARE

Circle for at least 8 couples

In three parts

(Men have their backs to the centre of the circle. They are facing their partner.)

Part 1:

- A1: Men fall back a double, dance forward a double, *while* women dance forward a double and fall back a double: Then, women fall back a double and dance forward a double, *while* the men dance forward a double and fall back a double.
- B1: All set and turn single right, look diagonally to the left and change places with that left hand dancer (passing right shoulder), keep moving in a CW path to finish in your partner's original place.
- B2: Left hand turn with partner, once and a half, look diagonally to the right and change places with the right hand diagonal (right shoulder), the men dance CW, (along the path of the large outside circle) followed by new partner to form one large circle.
- A2: Join nearer hands with this new partner, men gate* the women, then women gate the men. This 2nd gate is a bit faster and more than 360 degrees so the men finish with back to the centre of the circle, facing new partner.

Part 2:

- A1: Gentle siding, repeat.
B1, B2, A2 as in Part 1.

Part 3:

- A1: Arm right, arm left.
B1, B2, A2 as in Part 1.
